Defendants.)	

This matter is before the court on defendants' amended motion for extended deadlines (#43). Defendants request an additional 30 days to amend Rule 26 disclosures, file witness lists, and conduct any depositions not yet completed.

Plaintiffs object to this request (*see* #50), noting that the defendants have not conducted any discovery since an amended progression order was entered on August 16, 2005 setting a deposition deadline of October 25, 2005.

In addition to sustaining plaintiff's meritorious objections, I find that the defendants have not shown good cause for reopening discovery or extending any of the remaining progression order deadlines. Accordingly,

IT IS ORDERED that defendants' motion (#43) is denied.

DATED December 15, 2005.

United States Magistrate Judge
